Such is Esfahan's greatness that it is easy to agree with the famous 16th-century half-rhyme 'Esfahan nesf-e jahan' (Esfahan is half the world). We can also name 'Isfahan among those ancient places, like Athens or Rome.

There are, however, some other points about Esfahan. This is the country's third-largest city, including steel factories and nuclear sites . Traffic jams are also a regular difficulty in this city.

Write T for true and F for false.

1-Esfahan is the country's second- popular place for travelers.

2-We can rank 'Isfahan among those old places, like France.

Answer the questions.

3-What is the famous half-rhyme for Esfahan?
