2/5	B) Read the passage carefully and answer the questions. There are many different types of dictionaries that you can use. Electronic dictionaries are the best choice for students. They can be found in several forms, including mobile apps. Most of them contain explanations as well as definitions and example sentences in English. They can pronounce the English word to you, and they are easy to carry around. A good monolingual dictionary is recommended for students who already have an intermediate level of English you can also use bilingual dictionaries, but don't trust them completely. A bilingual dictionary can be useful for quickly trying to understand meaning, but it may not provide you with the exact meanings. Some online dictionaries are suitable for everybody use and language learning, so surf the net for the ones you like the most.
